Were going to stay small over the next six months and we will work for more of a distributed development pipeline than Telltale was known for, Otilie said.. I like games that tell stories and I think our industry should have a company that specializes in narrative-driven games.. As of now, there is no release window for The Wolf Among Us 2, but it is confirmed to come to consoles and PC exclusively to the Epic Games Store.

The studio was later brought back after LCG Entertainment bought the studio and all its assets and licenses outside of The Walking Dead which is now at Skybound Entertainment.. These vets include The Wolf Among Us lead writer Pierre Shorette and directors Nick Herman and Dennis Lenart.. Financial backers include various game industry figures, including Chris Kingsley (Rebellion), Lyle Hall (Heavy Iron Studios), and Tobias Sjgren (formerly of Starbreeze).. We felt it best to give the new creative team a clean slate to start with Otilie also mentioned in a separate interview with IGN that they are planning to make the new Telltale studio to have a crunch-free workload.. AdHoc will focus on the narrative and cinematic aspects of the title while Telltale will work on the rest of the project. [Affinity Photo Just 29.99 For Mac](#)

Certainly were working very hard not to make similar mistakes. However, after some success with series such as The Walking Dead, the company overreached, taking on too many projects that were poorly managed.. Neither worked at Telltale Games prior to its shutting in 2018. We're still evaluating, but we definitely want to continue some of the stories, he said.. We will probably keep the concept of episodes but with different pacing. This is a different world, from a media consumption standpoint.. Otilie said that some workers from the original Telltale Games will be offered freelance roles, with full-time positions possible in the future. [Macbook Pro 2016 Which One To Buy](#)

When asked about Telltale's previous plans to release a game based on Stranger Things, he said that the rights had reverted back to Netflix.. Some things like animation and motion capture will be done with the right partnerships externally.. The new company will sell some of Telltale's back catalog and will work on new games based on a few Telltale-associated properties, as well as new licenses.. In an interview with USGamer, LCG Entertainment CEO Jaime Otilie states We have completely restarted the development of the game.
